(April 1, 2005- TROY)- Due to the weather forecast calling for extensive amounts of rain this weekend, the City of Troy is moving all of its vehicles from behind City Hall into the State Street garage. The City is advising residents from nearby areas who live along the Hudson River, specifically in the Quayside apartments, to move their cars into the garage as well.

All cars can remain in the State Street garage until 9 a.m. on Monday morning. Any questions can be directed to Jeff Buell at 270-4554.
